Time:	Monday 1:00, Tuesday 12:00, and Wednesday 7:45
Course:	Monday: Challenge Tuesday and Wednesday: Championship
Eligibility:	To qualify, a member must be in good standing in the PVWGA with an established GHIN handicap and have played in 5 PVWGA events within one year prior to December 31. An additional month (January) will be granted to new members who join at the beginning of the season. These events must include 2 meeting days (must golf and attend meeting lunch) and 3 other events, which may be a combination of Tuesday play days and/or major tournaments. Fall team play on Tuesdays will be counted as a Tuesday play day. Major tournaments include Club Championships on the Championship and Challenge courses, the President's Tournament, and Partners Tournaments. Any two-day tournament will be counted as 2 events.
How to enter:	One member registers both members on ForeTees; guests are added on the registration form. ForeTees will not accept single member registrations. Single players interested in playing in the invitational must call the Pro Shop where they will be added to the waitlist. Incomplete or late registration forms or payments not time-stamped will move teams to the bottom of the waitlist. The best way to avoid this is to ensure that the entire team's checks and fully completed registration form are in the same envelope, submitted, and time stamped by the deadline. Incomplete qualifications for a member on the team will move the team to the bottom of the waitlist. Check your own and your
